

Access4u Staff Training Video Transcript

My name is Charlotte Dawe and I'm the Head Trainer here at Access4u.

At Access4u, we have partnered with CEG Training Partnerships to deliver our Certificate III in Individual Support (Disability).

CEG have been providing supportive and flexible training options since 1988. We have been delivering our Cert III in partnership with CEG since 2019, and we've seen so many of our staff and students achieve successful careers in the industry – in Mentoring, Support Coordination, Flexible Supports and more.

Our Cert III is an entry level course, which means you don't need experience in the field to start. This means that anyone can apply.

So if you're passionate about helping others, and are wanting to kickstart a rewarding career in the disability sector, or are already working in the industry and want to earn and learn more, we encourage you to apply today,

Our Certificate III qualification will teach you the skills to empower and support people with disabilities and provide appropriate in home and community support.

It will also allow you to understand legal and ethical workplace practices and will ultimately provide you with the essential skills you need to provide better care for those living with mental or physical disabilities.

We offer two study modes here at Access4u:

A paid internship

and an external option.

The paid internship is ideal for students who are looking for paid work whilst they study, with no course fees.

The external option is ideal for students who are already working and cannot commit to class times.

Both study options are 100% online, but the paid internship offers guaranteed paid shifts here at Access4u, whilst the external mode offers 120 hours of paid work placement for all Access4u employees.

There are benefits to both study modes. It's completely up to you and your needs.

We're happy to talk you through our options and help you decide what will suit you.

Our training is taught by experts in the field and aims to prepare you for the workforce.

It is flexible and allows you to choose where and when you study.

It is engaging and supportive, with our experienced trainers here to guide you.

And it's affordable. Our paid internship has no study fees, and our external mode is subsidised by WorkReady Funding.

Read to apply?

Here's how it works:

Head over to the Access4u website and go to "employment".

Then click on "staff training".

Read through our two study options and see what best suits you.

If you're not a current Access4u employee, submit an expression of interest. Our HR Advisor will be able to guide you through the process.

If you are a current Access4u employee, click "apply now".

Or if you have any other questions, and you're not quite ready to apply, contact our Head Trainer and Assessor by filling out our online form.

So, learn more or apply now.
