Access4u put you first.

Being able to choose who you live with, where you live, and how you live is important.

We provide many NDIS supports across Home and Living Options.

## Examples of our supports include:

**Supported Independent Living** – we will help you with daily tasks, including personal care, cooking and cleaning, and taking medication.

**Short Term Accommodation** – we can provide you with short getaways to try new things, make new friends and relax.

**Medium Term Accommodation** – we can offer you temporary housing while you wait for something more permanent.

**Individualised Living Options** – we will help you decide what you want in your future home and explore your options.

**Specialist Disability Accommodation** – if you have high needs, we offer housing designed for you.

**Housing Vacancies** – we will help you find a home that suits you, which may involve living with others, or living close to your family or your work.
